A Million Dollars Worth of Property Destroyed by Flood in Dallas.

HOUSEHOLD EFFECTS LOST

The Poor Residence Quarter Is under Several Feet of Water—No Water or Light Service for the City—Floods Being Halted for Relief of the Homeless.

Dallas, Texas, May 25.—Four lives lost, more than \$1,000,000 worth of property destroyed, 4,000 persons homeless and thousands of others in a state of distress are the result of an overflow of Trinity river last night and today. The poor residence quarters of Dallas is under several feet of water and thousands have lost their household effects.

The water works plant is out of commission and the light plant is inundated. Mayor Hay has issued a proclamation closing all schools from 5:30 o'clock to midnight until the flood subsides. Funds were raised today for the relief of the homeless.

Following the torrential rains of Saturday and Sunday, a volume of seven inches, the river went three inches above the record breaking flood of 1880.

Stock valued at many thousands of dollars was washed down streams and destroyed. The paralysis of railroad service is almost total. The International has discontinued service between Fort Worth and Dallas.

A woman, a child and three men represent the known victims of the flood.

A negro child was washed from its mother's arms, in the Rock Island yards and has not been seen since. An unknown white man was drowned a quarter of a mile from the Rock Island wharf. A child was drowned in a tree trunk. A negro attempting to pilot two men in a buggy through deep water on opposite the city park gate was thrown from his horse and his body has not been recovered. A German in North Fort Worth was caught in the swift water and drowned.

EASTERN STARS' GOOD YEAR

Three New Lodges and Gain of 433 Members over 1907.

Burlington, May 25.—H. E. Sullivan, grand secretary of the Grand Chapter of Vermont, Order of the Eastern Star, has completed his 25th annual report, which shows a most prosperous year. There are 61 chapters in the State, a gain of three over last year. The new chapters are: Minerva, No. 85, of North River, No. 86, of Randolph; Fair Haven, No. 26, of Fair Haven. One chapter, surrenders its charter, Montpelier, No. 25, of Pawlet. There are 5,786 members, a gain of 433 over 1907. The gain would have been much more but for the large number of deaths on the list. The treasury shows a much better condition than last year. There is in the general fund \$14,472.78; home fund, \$1,550.74; hospital fund, \$6,435; total \$22,458. This is exclusive of accrued interest at four per cent. since January 1, 1908.

PAROID Is the Standard

Permanent Ready Roofing

There is hardly a manufacturing concern in or around Burlington that has not more or less PAROID ROOFING in use.

Some concerns have as much as 150 to 200 squares.

Several are replacing old roofing with PAROID on their different buildings just as fast as the old wears off.

The heads of these companies are men of good business judgment who realize that known quality at a fair price is always a better proposition than an untried article at a low price.

SON OF LIEUT. GOV. DRAPER

Learning How to Make Cotton Cloth in a Burlington Mill.

The New York Times of Monday had the following special dispatch of local interest: Burlington, Vt., May 24.—Bristow Draper, son of the lieutenant-governor of Massachusetts, graduate of Exeter and Harvard, is working as a spinner in a local cotton mill sixty hours a week for \$2.50 per day, and living in a humble cottage at 67 Rutland street with his bride and two-month-old baby. Mrs. Draper was formerly Sanford, a well known actress.

Mr. Draper declares he is happier than he ever was, and that if he had known the fullness of life which marriage has brought him he would have married three years ago, in spite of the protests of any one. Since his location in Burlington a few months ago he has devoted himself entirely to his work in the cotton mill, and says he will continue as a spinner until he has won promotion to a higher place.

"I believe in a fellow doing as his judgment tells him, in marrying the girl he loves and making his own way in the world," he said.

Y., on the St. Lawrence river, together with half a dozen boat houses and two valuable launches was destroyed by fire early this morning. The hotel was a wooden structure and was owned by George Goodpenny of Thetford. An explosion of a stove or lamp is supposed to have caused the fire.

BROCKNEY-HANLON.

Wedding of Two Young Burlingtonians at St. Mary's Cathedral.

A very pretty wedding took place Monday morning at 7 o'clock at St. Mary's cathedral, when Charles Brockney was united in marriage with Miss Margaret Hanlon. The ceremony was performed by the Rev. W. P. Crosby in the presence of a large number of friends.

The bride was given in a brown Panama suit with a large picture hat to match, and carried gold-mounted umbrellas. Her bridesmaids were Miss Anna Menzies, who acted as bridesmaid, and was attired in a brown Panama suit, with a picture hat to match. The best man was Albert Brockney, a brother of the groom, and the ushers were Jack Smith and Edward Dugan, friends of the groom. The wedding march was played in a charming manner by Miss Jennie Bacon. The groom is well-known in Burlington, having been in the employ of the Rockwood Co. for several years, and has many friends. The bride was formerly in the employ of the United States company and also has a wide circle of friends. She received many beautiful and useful presents. Mr. and Mrs. Brockney left on a morning train for a short wedding trip to Montreal and on their return will be at home to their friends at 108 Howard street.

SONS OF VETERANS

Call Issued for 26th Annual Encampment at Bennington.

Will Be Held June 8 and 9—Commander Terrill Urges Division to Help Memorial University—Figures from Secretary's Report.

The call for the 26th annual encampment of the Vermont Division, Sons of Veterans, U. S. A. to be held at Bennington on the 8th and 9th of June, 1908, has been issued from headquarters by order of Division Commander Fred E. Terrill. The program will open with a meeting of the division council and receipt of credentials at G. A. R. hall at 3 o'clock in the afternoon of June 8 and will be followed by a camp fire at the Soldiers' home in the evening at 7:30 o'clock.

At 5 o'clock Tuesday morning, June 9th, a trip will be taken to the battle monument and other points of interest at Bennington-on-the-Hill. The encampment will open at 9:30 a. m. with the report of committee on credentials, followed by roll call, appointment of committees, reports of officials, communications and recess.

At 1:30 p. m. the business of the encampment will be taken up again, with the reports of division council and committees, unfinished or new business, and the election of officers. At 3:30 o'clock the muster of recruits and exemplification of secret work by officers of Lincoln Camp No. 24, Division of Massachusetts, located at North Adams, will take place. This will be followed at 5:30 o'clock by the joint installation of newly elected officers of the Sons of Veterans and Auxiliary at the residence of Post Colonel E. T. Griswold, followed by a social hour on the lawn.

Wednesday morning, June 10, at 8:30 o'clock the reading of the minutes and closing of the encampment will take place. This will be followed at 9:30 o'clock by an eight mile trip by trolley to the Bennington battle field and dinner at the park, returning in time for the afternoon train north and east.

Headquarters will be at the Putnam house. The dinner at the Soldiers' home will be held at G. A. R. hall and one-third for the round trip over the Boston & Maine Central Vermont and Rutland railroads. It is expected that the encampment will be a most successful one. Several past commanders-in-chief, several past division commanders and many of the past division commanders will be present. Those wishing to secure rooms in advance should notify E. T. Spear, secretary of committee on arrangements.

FOR MEMORIAL UNIVERSITY.

In the annual call for the encampment, Division Commander Terrill calls attention to the fact that nearly every division of the order has done something for the memorial university except the Vermont division and urges that this division make an effort to do her part. The order further suggests that division commanders appoint committees to arrange to hold entertainments or devise some means of making donations to the memorial fund, the same to be in hand and forwarded to the division treasurer, Charles C. McGaffey, of Burlington, for the opening of the encampment at Bennington.

Special stress is also laid on the fact that Memorial day is near at hand and the members' attention is called to the fact that this is not a day of festivities but rather a day of mourning and contemplation of the heroes who sacrificed so much that the life of the nation might be preserved.

DIVISION SECRETARY'S REPORT.

The report of the division secretary, Charles C. McGaffey, for the quarter ending March 31, 1908, shows that the number in good standing at the date of the last report was 22 camps and 26 members, a gain by organization and mustering in of one camp and 35 members. The gain for one quarter by reinstatement was three members. This aggregates 24 camps and 66 members. Two camps with a membership of 62 have been disbanded, one member lost by suspension, making a total loss of two camps and 76 members, leaving the total number in good standing 22 camps and 57 members. The total receipts are \$608.88, with disbursements of \$168.28, leaving a balance in the hands of the camp treasurer of \$440.60.

DEATH OF MRS. LAURA M. GRAY.

The death of Mrs. Laura M. Gray, which occurred at the home of her daughter, Mrs. George W. Wales, Monday morning, being adhered to a large circle of friends in this city. Mrs. Gray was born in West Troy, N. Y., December 18, 1841, and was the daughter of the late Rev. W. H. A. Bissell and Martha (Moulton) Bissell. She was married to Mr. Gray on November 12, 1862, and after his death, some twenty years ago, she came to live with her father, Bishop W. H. A. Bissell in Burlington. On his decease she took up her residence with her daughter, Mrs. Wales. Mrs. Gray had learned to know and love Burlington during the life time and on making it her home she soon entered warmly into the work of St. Paul's Church and made her presence felt in many quiet ways. She was at one time president of the Michigan branch of the Woman's Auxiliary and later president of the Vermont branch of the same organization. Mrs. Gray had been something of an invalid for four years, but was not in any serious condition until the last year. She had failed rapidly during the winter and spring and death came as a relief from suffering. No one who knew Mrs. Gray could forget her charming personality and the sweetness and grace of her outward manner were but partial proof of the lovely character within.

She is survived by her daughter, Mrs. George W. Wales, two sisters, Mrs. William G. Shaw, lately of this city, and Mrs. Pope of Geneva, N. Y., and by two brothers, John Russell of Detroit, Mich., and William Bissell of California.

The funeral was held from St. Paul's church Wednesday at 4 p. m. with burial in Green Mount cemetery.

SEVERE ELECTRICAL STORM.

Waterbury Wind Swept in Heavy Down-pour and Several Buildings Struck by Lightning.

Waterbury, May 26.—The most severe electrical storm Waterbury has experienced for years passed over this village late this afternoon. A down-pour of rain and considerable wind accompanied it, the storm playing havoc with shade trees and demolishing the electric lighting system. Wires were down and street lamps dismantled, leaving everything in total darkness except the hospital which is lighted by its isolated lamp and the Waterbury Inn with its array of candles.

The storm took a humorous turn when it lifted a slate from a roof and carried it through a window in a house opposite.

Lightning struck D. W. Corley's house, doing little damage. The O'Clair & Anair store shed, putting the crane out of commission, and E. L. Marble's barn in Duxbury besides several trees.

Peck-Erhardt Cases Not Decided According to Law Says Judge.

Montpelier, May 26.—Judge Alfred A. Hall of St. Albans, judge of the court at Montpelier this morning to dispose of several cases that were pending when an adjournment of the March term of Washington county court was reached. A hearing was first given in the case of W. W. Perkins vs. Charles V. Kent of this city, an Orange county case, in which foreclosure on a farm in Brookfield is involved.

Judge Hall set aside the verdict in the Peck-Erhardt cases, heard at the last term, on the ground that it was against the law and the evidence. Judge Hall said the jury could not be blamed for the verdict they rendered as they did the best they could under the case, but the evidence was conflicting and the cases were very complicated.

In the case of D. A. Perry vs. W. H. and J. E. Ward, a decision was given for the defendant to recover his costs.

In the case of Mamie Austin vs. D. A. Austin and wife the appeal from the justice court was dismissed, the judgment of that court was affirmed, and the property in question was ordered returned to the defendants. This was a replevin case in which several cows were taken on a writ.

Arguments were made today in the case of H. K. Bush, receiver, vs. the Harrison trust company and the National bank of Barre, general assumption. This is an old case and has several times been before the court. Other chancery cases will be taken up to-morrow.

"Brethren and sisters, it seems to me that the Lord does not love this people, because He never takes any of you to heaven; there hasn't been a funeral here for five years."

"It does not seem to me that you love your minister, for you never pay his salary in full; you give it out with potatoes and wormy apples, and by their fruits ye shall know them."

"I am going to a better place. I have been appointed chaplain to the penitentiary, and I will prepare a place for you."
